THE LOOK AND FEEL OF REAL WOOD COMES AT A PRICE

made from
95% recycled materials

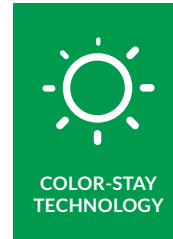

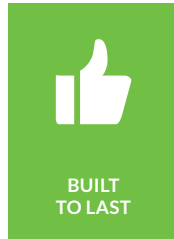

As our natural resources are limited, we must protect and recycle for future generations. All NewTechWood products are produced using 95% recycled materials including plastic bottles, reclaimed wood fibers, and other products that would normally end up in a landfill.

What Makes NewTechWood the Smart Green Choice?

NewTechWood undertakes annual, third-party audits to assure compliance with environmental, health, and safety regulations and guidelines – a demonstration of our commitment to a greener alternative to wood building products that deplete the planet's resources.

UltraShield®

Core

From Subtle to Spectacular: It's Your Choice

From subtle hues to eye-catching accents, **UltraShield®**'s **Naturale™** collection of colors and surface patterns delivers a palette of design options to create the customized look of **Naturale™** wood that's perfect just for you.

Choose your look, assured of consistency of appearance from NewTechWood's **UltraShield®** collection, perfect for cladding, siding, porches, railings, and even fencing that washes clean when the work is done.

Durable, easy-to-install, low-maintenance solutions to all of your outdoor construction needs.

360° CAPPED
protective polymer layer

The **UltraShield**® Comprehensive Warranty

Our **UltraShield**® cladding is backed by the most comprehensive warranty in the industry.

NewTechWood stands behind its products, backed by a 25-year limited, transferable warranty.

We are so confident in the quality of our cladding that we'll refund the cost or replace the cladding if it underperforms.

ACCESSORIES

NewTechWood Cladding is installed using a range of great accessories. Our AW08 Cladding clips hold the boards in place, using a grooved design for simplified installation and weather resistance. The AW02 starter strips gives you an even start point and additional support. Finally, our T-7 rubber stopper allows for the final row of Cladding to stay upright.
